THE IDAHO BOTANICAL GARDEN offers a unique opportunity for businesses and corporations to make connections with the natural world while meeting company goals for giving to the community.

Located at the base of the Boise foothills in the Old Penitentiary Historic District, the Idaho Botanical Garden has been a favored destination for 25 years, now receiving more than 75,000 visitors each year.

As a Corporate Member, your business will be a part of this Treasure Valley educational and cultural resource.

The nonprofit 501(c)(3) Garden relies on corporate support to maintain and expand its ability to provide an inspiring educational destination for garden and nature lovers, children, and area families, as well as a beautiful location for events that bring the community together.

YOUR COMPANY can demonstrate its commitment to education and the environment — and provide employees and clients with a great site for learning and rejuvenation — through corporate membership at the Idaho Botanical Garden.

Please see inside for details.
